Description

[REGISTER NOW](#)

Starting in January 2022, we will be changing the frequency of our peer group sessions from monthly to quarterly so that we can continue to provide other offerings to our BDU network that will be instrumental in driving sales in the new year (and beyond).

These will continue to be a time to support one another, to network and to discuss the unique challenges we as sales professionals continue to face as we navigate selling in both a live and virtual environment. This is all about YOU: what YOU want and need to discuss, what ideas and suggestions YOU have for one another and ways in which YOU can continue to be as successful as possible as we forge ahead.

We will also continue to welcome some very special guests to share their secrets to sales and leadership success.

We look forward to seeing you soon and to continuing the conversation!
